

Our mission is to “reflect the Spirit of Christ by providing compassionate, accessible health care”. We do this by providing medical services to the un-insured and under-insured using a sliding scale fee based on income and number in your household. We also accept some Medicaid plans for services.

Presently we are open Wednesdays starting at 12:30 pm to 3:30 pm; please call us at **616-475-8446** to schedule an appointment.

1. During our hours we treat adults and children for Urgent Care needs including:
  - a. Sore throats
  - b. Minor infections
  - c. Minor injuries
  
2. We can also become a Medical Home where you would receive “Primary Care” services including: preventive care and care for chronic conditions (diabetes, high blood pressure, etc.).
  
3. If you do not already have your own doctor and are interested in getting established for primary care, you will need to complete our registration process by providing:
  - a. Verification of income
  - b. ID
  - c. Insurance card: we accept no insurance with payment on sliding scale, Meridian Medicaid, and Priority Health Medicaid
  
4. We are not able to adequately treat chronic pain issues at the Streams of Hope location and will not be prescribing narcotics, opioids or benzodiazepines to patients seen here.
